We need 4 volunteers to build shelves for musical instruments. Please email Nancy.Garvin@heritageha.org

Due to the new cement work, we cannot salt that area of the pick-up and drop-off line, so when there has been snow, the pattern of the car line will be adjusted to avoid this area.

Kids Grow!

Many of our students are growing like weeds! We understand the frustration of having to purchase

new uniform pieces; however, our dress code policy is specific about the length and condition of pants. Trousers must touch the top of the shoe in front and may not drag on the ground when standing straight. Black and blue colors should not be faded to gray. Regular fabrics which are woven, twill, and corduroy are allowed with no elastic at the ankles. See website for more info.

One World in One Night HHA 1st Annual Culture Experience Night

The evening of Friday, March 9th will be a celebration of all families, cultures and languages at Heritage Heights Academy. We are inviting our school families to come and show something that makes your family culture special. What could you share about ... Ghana, Korea, Italy, Nepal, El Salvador, Ukraine, India, Germany, England, Mexico?
