**Eclipse:** On Monday (08-21-2017), we will take all students outdoors to view the solar eclipse. This has been approved by the district and the district has made viewing glasses for every child. Your child will view the eclipse with those glasses on. See attached photo of the eclipse viewing glass for you to see how they look like. Any parent who do not want their child outdoors during the eclipse, please let me know. I will keep them indoors. For your convenience, this link is from the cherry creek school district website.

Our temporary phone number is 303-328-3462

Thank you!

HHA is looking for volunteers to serve on our Facility Planning Committee that will meet monthly. The purpose of this committee is to guide the process of finding/building a permanent school site for HHA!!! If you have any skills or interest in this committee, please email Jessica Price at [Jessica.price@heritageha.org](mailto:Jessica.price@heritageha.org).

Please make sure that you have updated PowerSchool with your new information. This year, no student will be able to attend HHA until their parents have updated PowerSchool. Don't worry, it doesn't take a long time!

## Facilities Committee

HHA is looking to put together a Facilities Committee. We are Seeking parents that have experience in real estate, architecture, engineering, construction, Banking/ Finance. or parents who want to put in some time to help HHA build or find a permanent facility. This would involve several planning meetings over the next few years.

We are in need of volunteers who know how to sew zippers. We are making zipper bags for students to keep their supplies together on days that we have to collapse the classrooms. HHA will provide all the supplies
